## IS IT OVER?

Written by Sandy Brehl  
Illustrated by Rebecca S. Hirsch

### KA-BOOM!

When storms send you running for cover, be brave, look up. Find a story in the storm to calm your fears and you just might help someone you love.

IS IT OVER? celebrates the power of love and storytelling to overcome fear. A prowling, growling thunderstorm sends Risa running to Daddy, begging him to make it stop. When the storm worsens, Risa asks for a story, but Daddy's time as a soldier changed his childhood view of storms. Inspired by her stuffed toy elephant, Ivan, Risa summons the courage to find her own story in the storm, one that helps them both.
